**OBJECTION OF MARTIN TRANSPORTATION SYSTEMS, INC.
TO PROPOSED CURE COSTS CONTAINED IN NOTICE OF (I) DEBTORS'
INTENT TO ASSUME AND ASSIGN CERTAIN EXECUTORY CONTRACTS,
UNEXPIRED LEASES OF PERSONAL PROPERTY,
AND UNEXPIRED LEASES OF NON-RESIDENTIAL REAL PROPERTY
AND (II) CURE COSTS RELATED THERETO**

Martin Transportation Systems, Inc., a Michigan corporation, a creditor and party-in-interest in this case ("MTS"), by and through its attorneys, Rhoades McKee, submits this Objection to the proposed cure costs for the assumption and assignment of the Assumable Executory Contracts (as defined in the Assumption Notice) with MTS, set forth in the Notice of (I) Debtors' Intent to Assume and Assign Certain Executory Contracts, Unexpired Leases of Personal Property and Unexpired Leases of Non-Residential Real Property and (II) Cure Costs Related Thereto ("Assumption Notice"), dated June 5, 2009. The Assumption Notice was served on MTS in accordance with the Debtor's June 1, 2009 Motion, which among other things, sought authorization and approval of the sale of substantially all of Debtors' assets and assignment of contracts and leases. In support of its Objection, MTS states:

1. According to the Contract Website referenced in the Assumption Notice, MTS is one of the executory contracts to be assumed and assigned to purchaser.

2. Pursuant to the Contract Website, Debtors' records reflect a payment of \$0 would be required to cure payment defaults under their Agreement with MTS. This amount is incorrect.

3. The correct cure costs to be paid to MTS should be \$7,444,277.57. A detailed schedule of the unpaid invoices establishing the correct balance due is attached as **Exhibit 1**.

4. Upon assumption, all attendant responsibilities to cure defects and default are immediately compelled upon the debtors. See 11 U.S.C. § 365.

5. The assumption and assignment of the Agreement between Debtors and MTS should be conditioned upon the payment of the correct cure amount of \$7,444,277.57.

6. MTS reserves the right to amend, supplement or otherwise modify this objection as it deems necessary or proper.

WHEREFORE, MTS respectfully requests that this Court condition the assumption and assignment with respect to the Agreement with MTS upon the allowance and payment of MTS' Cure Claim in the full amount of the pre-petition cure costs of \$7,444,277.57.

Respectfully submitted,

Dated: June 12 2009
